

## ABOUT ME

I have a strong inner motivation to assertively create and implement new ideas. I am a team player, multi-tasker and strive to constantly exceed expectations. I love solving problems. I love learning new things and I am open to any learning opportunity.

## Fullstack Developer

## PROJECTS

### Study Web app and API

JUNE 2022

<https://letsstud.herokuapp.com> & <https://letsstud.herokuapp.com/api>

Django | Djangorestframework | HTML | CSS | jwt | Postgresql | heroku

A study platform where students, study buddies, and friends can chat and study together. The app contains all the necessary CRUD operations and query manipulation and authentication. The API is built with Django rest framework and can be consumed by anyone.

### Minimal Chat Rooms

JUNE 2022

<https://lirurooms.herokuapp.com>

Django | HTML | CSS | Postgresql | heroku

A CRUD application written in django. A user can register, login create rooms and chat with any other connected members. All messages are cleared in after 30minutes of inactivity or when a user logoff.

### News Feed Website

JUNE - JULY 2022

<https://newsfeeder.vercel.app>

ReactJS | React-router-dom | news api | hooks

A web app that uses currentnewsapi to render data. It fetches the latest news from around the world.

### Note Taking app

JUNE 2022

<https://notty.vercel.cpp>

ReactJS | localStorage | hooks

A note-taking web application built for convenience. It showcases my skill in using react hooks and handling data efficiently.

### My Portfolio

JULY 2022

<https://davisphem.me>

ReactJS | React-router-dom | Bootstrap | react-pdf | tllt

My portfolio website build to showcase my work, about me and links to github repos

## WORK EXPERIENCE

### Backend Intern

2021(3 months)

#### Zuri | Nigeria

I worked hand-in-hand with the Frontend and the UI team to build a more advanced Zuri chat platform. I also worked on several APIs(using Djangorestframework) which were consumed by other frontend interns. I learnt a lot during the process.

### Software Engineering Intern

2022(3 months)

#### Zuri | Nigeria

Worked on varieties of projects using DJANGO, DJANGORESTFRAMEWORK, HTML, CSS S, JAVASCRIPT AND REACT. Managed projects with github projects as a team lead.
